EXPRESSION OF INTEREST FOR TRANSFER OF RETIREMENT SAVINGS ACCOUNT

I wish to express my interest in transferring my Retirement Savings Account to your Pension Fund Administrator.

I confirm that it has been clearly communicated to me that guidelines for transfers between PFA's are yet to be released by the National Pension Commission and that, until then, transfers between PFA's cannot be effected. However, in this regard I would like to be contacted once these guidelines are released.

My contact details are provided below.

Thank you.

Yours faithfully,
